Land Use Order of the Director Amendment 8 of 2008  
FOR INFORMATION ONLY

Authority:

The Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, authorized the Director to issue orders to implement land use rules.

Discussion and Background:

This amendment to Land Use Order of the Director 4.34 (Pigeon River Country State Forest) is being requested to regulate equestrian camping and riding, and bicycling within the Pigeon River Country State Forest. The following restrictions are needed to implement and enforce recommendations outlined in the Recreation and Law Enforcement section of the 2007 Pigeon River Country Concept of Management.

**Camping with horses, other riding animals, or pack animals restricted to certain areas.**  
Camping with horses or other riding or pack animals shall be restricted to Elk Hill Equestrian State Forest Campground and Trail Camp, and Johnson's Crossing Trail Camp.

**Horses, riding animals, and pack animals, use restricted to certain roads and pathways.**  
A person riding or leading a horse, other riding animal or pack animal shall be restricted to the north spur of the Shore-to-Shore Riding-Hiking Trail; a county road; a forest road designated and illustrated as open on the Pigeon River Country State Forest access map; or a service trail road posted open by the Department.

**Bicycling restricted to certain roadways and pathways.**  
Bicycling shall be restricted to the High Country Pathway, the Shingle Mill Pathway and the Pickerel Lake Pathway; a county road; or a forest road designated and illustrated as open on the Pigeon River Country State Forest access map.

These regulations are necessary to protect the wild character of the Pigeon River Country, and to

achieve greater compatibility with federal grant fund requirements associated with the acquisition and management of the Pigeon River Country.

These recreation use restrictions have been agreed upon by all Divisions.
