## Porcupine Mountains

Wednesday December 28 and

Saturdays December 31 through February 25

Lantern-lit ski and snowshoe trail 6:00 - 9:00 PM ET

Nearly 80 old-fashioned kerosene lanterns illuminate a 1-mile trail for a unique and memorable experience. Ski or snowshoe around the lighted loop. Stop about halfway around at the warming shelter for a campfire and some refreshments. The ski trail has an "easy" difficulty rating; however, skiing or snowshoeing at night is always a challenge. **The trail begins** across from the entrance to the ski hill and starts at 6:00 PM ET in December and January, 6:30 PM ET in February.

The event may be canceled due to inclement weather. To inquire about cancellations call 906-885-5206 or watch our facebook page Porcupine Mountains Wilderness State Park - the "Porkies". This event is free; however a Recreation Passport is required for entry to the park.
