

JENNIFER M. GRANHOLM
GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF NATURAL RESOURCES
LANSING

REBECCA A. HUMPHRIES
DIRECTOR

October 15, 2007

TO: Rebecca A. Humphries, Director

SUBJECT: Acceptance of Mineral Rights

Authority: Part 5 of Act 451, Public Acts of 1994 as amended

Comments: The Michigan Natural Resources Trust Fund appropriation acts prior to the calendar year 1999 required that the mineral rights underlying lands acquired by local trust fund grant recipients be deeded to the State of Michigan. Beginning in 1999, grant recipients could provide mineral interest or a "non-participating 1/6 minimum royalty interest" in any minerals acquired. Under Part 5, the Department of Natural Resources can accept mineral conveyances to the State of Michigan. Mineral rights deeded to the State and not previously accepted are summarized below for consideration.
