

Baraga State Park

All programs meet at the pavilion unless otherwise noted.

Wednesday July 16:

Camouflage Hike, 1:00 PM

Just like hunters, some animals use camouflage to blend in with their surroundings. On our hike we'll see how effective camouflage can be in the woods!
Program for Baraga Great Explorations group, but everyone is welcome!

Oh Deer, 3:00 PM

The whitetail deer is Michigan's state mammal.
Join the Explorer Guide as we learn about this majestic mammal!

Thursday July 17:

Vulpes Vulpes, 4:00 PM

What has red hair, a triangular face, pointed ears, long muzzle, and bushy tail?
Klaudia the Explorer Guide?! No, but she'll tell us who does!

Going Batty, 7:00 PM

What is the only mammal capable of sustainable flight? The bat of course! Join us as we learn about these unique and amazing little animals.

Friday July 18:

Animal Tracking, 2:00 PM

The animals have been migrating through our park, track them down and see who's all been sneaking around!

Bobcat Business, 4:00 PM

Stop in and discover the bobcat, named for its short stubby tail. This stealthy feline is the most common wildcat in North America.

Saturday July 19:

Moose on the Loose, 2:00 PM

Come learn about the shy giant that inhabits our wetlands.

The Aquatic Lumberjack, 4:00 PM

What is the largest living rodent in North America? Come find out as we study the similarities between lumberjacks and beavers.

Bear In The Park, 7:00 PM

Help Klaudia the Explorer Guide track down a growly black bear in the park!
**Please be informed, bear do not frequent our park!*
