

# Calhoun County

---

## **Battle Creek Steelheaders**

**Contact:** <http://bc.steelheaders.us/loader.php?p=1>

*Fishing tournaments and monthly meetings discussing fishing techniques. Please contact the Battle Creek Steelheaders directly for current information on educational programming and events.*

**Calhoun Conservation District**, USDA Marshall Service Center, 13464 Preston Drive, Marshall, Michigan 48068

**Contact:** [www.CalhounCD.org](http://www.CalhounCD.org) or phone (269) 781-4867, Ext. 5

*The CCD has many ongoing educational programs and volunteer opportunities, such as their Youth Summer Conservation Camp, Earth Day Festival, and Volunteer Stream Monitoring program. CCD also manages several properties, lakes, and river access sites for aquatic recreation, so they encourage you to contact them if you do not find what you are looking for on their website!*

## **Calhoun County Bass Club of Michigan B.A.S.S. Nation**

**Contact:** <http://www.calhouncountybass.webs.com/>

*The Calhoun County Bass Club has several ongoing fishing instruction programs such as their station at the Calhoun County Sheriff's Outdoor Safety Days and "Take a Kid Fishing" event. Please contact the Calhoun County Bass Club directly for current information on educational programming and events.*

**Whitehouse Nature Center** – Albion College, 611 E. Porter Street, Albion, Michigan 49224

**Contact:** [www.albion.edu/about-albion/whitehouse-nature-center/](http://www.albion.edu/about-albion/whitehouse-nature-center/) or phone (517) 629-0582

*The WNC is 140 acres of outdoor education with the Kalamazoo River running through it, and it comes complete with a visitors' center, a classroom, wildlife observation room, and live exhibits of local reptiles and amphibians. Many environmental educational programs are available in addition to river access, and free use of their river trails, so please contact the Whitehouse Nature Center directly for current information on educational programming and events.*
