* Shaded cells indicate licenses that are either included in the base license price, as indicated by a \$0.00, or those that require the purchase of a base license prior to purchase of the species-specific license.

¹A one-time purchase of a hunting license (\$57.75) and habitat stamp (\$5.50) are required before purchasing any of the highlighted licenses for a given year.

²A base small game hunting license (\$80.00) is required prior to purchasing the waterfowl habitat stamp to hunt waterfowl.

³A one-time purchase of a base hunting license (\$151.00) would be required before purchasing any of the highlighted licenses in a given year. For example, the price to purchase a deer license and a turkey license would be \$186.00, not \$337.00. A combination hunt and fish license is also available; the price includes the base, two deer, and all species fishing licenses. The prices above for both the base license and the combination hunt and fish license include a \$1 surcharge. A 7 day small game license would also be available for \$80; a base license would not be required to purchase this license.

⁴A base small game license is needed prior to purchasing the waterfowl habitat stamp or a trapping license. Non-resident trapping licenses are only issued for use on land the non-resident owns in Minnesota. Antlerless licenses are awarded through a drawing at no cost, except for the purchase of a deer license.

⁵A one-time purchase of a base hunting license (\$125.00) is required before purchasing any of the highlighted licenses for a given year.

⁶A one-time purchase of a base hunting license (\$101.70) is required before purchasing any of the highlighted licenses for a given year.

⁷A deer license allows the hunter to shoot either an antlerless or antlered deer. An additional antlerless license is available for \$20.00. A base small game hunting license (\$85.00) is required prior to purchasing the waterfowl habitat stamp to hunt waterfowl. Special rates are offered for first-time buyers of deer, small game, trapping, and turkey licenses.
