* Shaded cells indicate licenses that are either included in the base license price, as indicated by a \$0.00, or those that require the purchase of a base license prior to purchase of the species-specific license.

¹A one-time purchase of a hunting license (\$12.50) and habitat stamp (\$5.50) are required before purchasing any of the highlighted licenses in a given year. For example, the price to purchase both a deer license and a turkey license would be \$58.50.

²A base small game license is required to hunt waterfowl. A game bird habitat stamp is required in addition to the turkey hunting license and is included in the above price.

³An annual one-time base license is required before purchasing any of the highlighted licenses in a given year. For example, the price to purchase a deer license and a turkey license would be \$46.00, not \$57.00. A combination hunt and fish license is also available; the price includes the base, two deer, and all species fishing licenses. The prices above for both the base license and the combination hunt and fish license include a \$1 surcharge.

⁴A base small game license is needed to purchase a waterfowl license or a trapping license. Antlerless licenses are awarded through a drawing at no cost, except for the purchase of a deer license.

⁵A one-time purchase of a base hunting license is required before purchasing any of the highlighted licenses in a given year. For example, the price to purchase both a deer license and a turkey license would be \$67.00.

⁶A one-time purchase of a base hunting license is required before purchasing any of the highlighted licenses in a given year.

⁷A deer license allows the hunter to shoot either an antlerless or antlered deer. An additional antlerless license is available for \$12.00. A base small game license is required prior to purchasing the waterfowl stamp to hunt waterfowl.
