- Each hunter is limited to 25 shells. It is unlawful to use or possess any shot, whether loose or loaded in shot shells, of a material other than federally approved non-toxic shot, except single projectile loads. BBB is largest shot size permitted.
- Complete hunting and area rules are posted in the check station.
- All deer hunting is by permit only. Contact office for more information. There is no hunting of deer with firearms during any open waterfowl hunting season.

WATERFOWL PERMIT PROCEDURES:

- (1.) All waterfowl hunting is by permit only. Permits are issued for a MORNING HUNT and an AFTERNOON HUNT.
The permit is only valid for the location and time designated on the permit.
- (2.) A drawing will be held each hunting day at 5:30 a.m. (local time) for the morning hunt and another at 11:00 a.m. (local time) for
the afternoon hunt. To hunt together as a party in a party permit area, all members of your group must register together as a party prior to the drawing, except that 1 or 2 hunters not participating in the drawing may join a party of two or three, that hunter's fully completed registration card is filed in the check station prior to the drawing (and so completes the party).
There is a maximum of 4 hunters per party.
- (3.) Only hunters not participating in the drawing may join an individual or party after the drawing.
Registered hunters that passed or forfeited their draw will be considered as having participated in the drawing.
- (4.) Morning permits are valid from opening hour to 12:00 noon; afternoon permits from 1:00 p.m. to closing hour.
You must personally return your permit from the morning hunt to the check station by 2:00 p.m. and
afternoon permits must be returned within one hour of closing time. All game taken must be presented for examination.
- (5.) Any permits left following the drawing will be issued on a first-come, first-served basis.
No permits will be issued for the morning hunt after 10:00 a.m., nor after 4:00 p.m. for the afternoon hunt.
- (6.) On any day you have participated in a morning drawing and are issued a hunting permit, you may not participate in the afternoon drawing. However, you are eligible for unused permits after the afternoon drawing. Once a permit for any post or zone is surrendered at the checking station, it will not be reissued for that hunting period.

NOTE: You will need both a Federal and State duck stamp to hunt waterfowl if you are 16 years of age or older. You will also need an annual or daily managed hunting permit for waterfowl and deer hunting, available at the game area office.
