REBECCA A. HUMPHRIES
DIRECTOR

August 20, 2007

TO: Rebecca A. Humphries, Director

INFORMATION: Natural Resources Commission

SUBJECT: Special Fishing Regulations, Fumee Lake, Dickinson County, Fishing Closure (FO-211) – FOR INFORMATION ONLY

Authority:

The Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, authorizes the Director to provide for better protection and preservation of fish, game and birds.

Discussion and Background:

Fumee Lake has a unique fish population as a result of more than 30 years of regulated public use which excluded fishing. A Dickinson City ordinance, established prior to 1994, prohibits access for the purpose of fishing at this time.

This order, allowing restricted fishing, was established initially in 1994 in anticipation that fishing would someday be permitted on Fumee Lake. If the ban on fishing is reversed sometime in the future, special regulations will be needed to protect this exceptional fishery. The current fisheries order is set to expire in April 2008. It is proposed that this order be renewed.
