

## Instructions for Using NASP Nationals Registration Template

Note: **Tournament Format** This year we will operate a single line of two archers per flight. The archers will be from different teams or schools. Both archers will shoot at the same target at the same time. There will be no "B" line of archers waiting their turn to shoot during the flight. Because of this format the flight will take only half as long to complete. This will reduce archer, equipment, and scorecard congestion on the range. It is important that archers sharing bows be designated, as you register them, **Flight Group 1 or 2** (see below) so we may assign bow sharing archers to two different flights.

1. Please use the 2009 NASP Nationals Excel Spread Sheet. This form can be obtained from your state or provincial NASP coordinator or at: [www.nasparchery.com](http://www.nasparchery.com)
2. If you "mouse over" spreadsheet text, a brief description of the information needed will be revealed.
3. **Completing the top section of the spreadsheet :**
  - a. Provide School Name, City, State, & County.
  - b. Divisions are Elementary -4-6<sup>th</sup> grade, Middle – 7-8<sup>th</sup> grade, & High School -9-12<sup>th</sup> grade.
  - c. Scroll over the Shooting Flight Preference (1<sup>st</sup> & 2<sup>nd</sup> choice) to select flight time desires. Note that because only one line of archers will be shooting, each flight is only one hour in duration. If some of your students will share bows, those sharing will be placed in a different flight. In such cases both flight time assignments will be as close together as can be arranged. In some cases flight preferences may not be granted if there are too many teams preferring these flights.
  - d. Let us know if you will be using your own Easton Genesis arrows.
4. **Completing the bottom section of the spreadsheet:**
  - a. **Rec No** is simply a running total of the number of archers you are registering.
  - b. **Flight Group** will be 1 for each of your archers if no one is sharing a bow. Change the Flight Group number to 2 for archers who will be sharing a bow. These Flight Group 2 archers will be placed in a subsequent flight, as close to Flight Group 1's flight time as possible.
5. Record the archer's name, grade, gender, and shirt size.
6. Please provide the names for up to 2 coaches and their shirt sizes.
7. Send the registration form to either your NASP Coordinator (if the coordinator so instructs) or to NASP's Jon Gauthier @: [jgauthier@nasparchery.com](mailto:jgauthier@nasparchery.com)
8. For additional details about the tournament format, equipment allowances, awards, and participation requirements please refer to the Tournament Information document also available from your coordinator or [www.nasparchery.com](http://www.nasparchery.com)
