

Ionia Recreation Area

Thursday July 17:

Small Mammals, 1:00 pm at the Host Site #4

Learn about the small mammals that can be found in the park!

Making Tracks, 3:00pm

Let's look for tracks and identify what they are! We will then make a mammal track book to take home!

Friday July 18:

Coyotes, 11am at the campground bath house

Meet the explorer guide Nicole at the campground bath house to learn a little about these interesting creatures.

Rascally Rabbits, 1pm at the Beach House

Come and learn a little about these fast creatures. They are very abundant in Ionia!

Bear Necessities, 3:00pm at Host Site #4

Come and learn about the bears that roam Michigan! Listen to a Native American legend.

Saturday July 19:

Bobcats, 11am at the Bath House

Come and learn about bobcats. And meet a live one! And then stay for the next program too!

Out Foxed, 11:30am at the Bath House

These clever creatures lead a fascinating life. Check out the lives of these wily mammals and meet a real fox!

Invaders of the Darkness: Bats!, 8:00pm at the Campground Office

We'll hear of a legend of how the bat came to be. Then let's take a hike to see if we can see them keeping us safe from the insects!
