STATE OF MICHIGAN
DEPARTMENT OF NATURAL RESOURCES
LANSING

DR. WILLIAM E. MORITZ
DIRECTOR

SUBMITTED: June 22, 2016

MEMORANDUM TO THE DIRECTOR

Information: Natural Resources Commission

Subject: Order to Add Designated State Game and Wildlife Areas
Land Use Orders of the Director Amendment No. 5 of 2016
FOR INFORMATION ONLY

Authority:

The Natural Resources and Environmental Protection Act, 1994 PA 451, authorizes the Director to issue orders to implement land use rules.

Discussion and Background:

The Department recommends adding a complete list of State Game Areas and State Wildlife Areas that have been designated, as defined by R 299.921 of the Michigan Administrative Code, by the Director to Chapter 3 of the Land Use Orders of the Director. This will allow for the Department to uniformly identify and manage these designated areas and provide basic regulations across all State Game Areas (SGAs) and State Wildlife Areas (SWAs). For the purposes of this designated list, State Game and Wildlife Areas include public land managed by the Wildlife Division and referred to as a SGA, SWA, State Fish and Wildlife Area (SFWA), and State Wildlife Research Area (SWRA). There are 111 designated areas listed.

There are other wildlife managed or co-managed areas which occur in the State, but are not formally designated to the Wildlife Division, and therefore are not listed.

Recommendation:

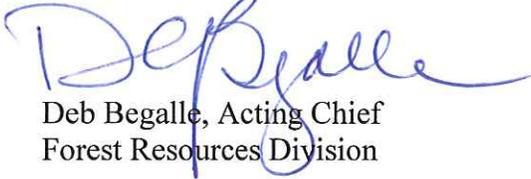

This order is being submitted for information and consideration. This item appeared on the Department's June 2016 calendar and may be eligible for approval on August 11, 2016.
