STATE OF MICHIGAN  
DEPARTMENT OF NATURAL RESOURCES  
LANSING

RODNEY A. STOKES  
DIRECTOR

SUBMITTED: January 17, 2012

MEMORANDUM TO THE DIRECTOR

Information: Natural Resources Commission

Subject: Order to Regulate Use of Lapeer State Game Area, Lapeer County  
Land Use Order of the Director Amendment No. 1 of 2012  
FOR INFORMATION ONLY

Authority:

The Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, authorizes the Director to issue orders to implement land use rules.

Discussion and Background:

The purpose of this land use order is to regulate access within the Lapeer State Game Area (SGA) and to take proactive steps to address significant and recurrent problems associated with target shooting within the Lapeer SGA.

**Unlawful Entry**

This proposed land use order recommends limiting entry to certain areas of the Lapeer SGA, except from July 1 to August 31 and from December 15 to March 1 for the purpose of fishing or with written permission from the department. Limited entry aligns with the original landowner's request to preserve the natural character of the area and is consistent with the area's current use. Nearby residents have expressed concern regarding the disturbance of waterfowl and migratory bird habitat with increased recreational use.

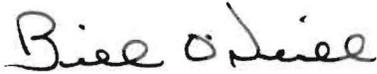

**Target Shooting**

The Lapeer SGA is a popular destination for target shooters. Some portions of the SGA are used extensively for this purpose and the result of that intensive use is an unmanageable litter problem. Televisions, computers, refrigerators, glass, and many other items are used for target practice and the debris left behind makes these areas look more like a landfill than a game area. Keeping them clean is an impossible yet time-consuming task for Wildlife and Law Enforcement Division staff. Hundreds of hours each year are spent by Department employees responding to and resolving complaints and misuse of the area by target shooters.

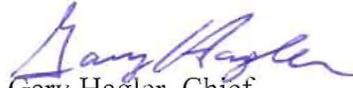

Target shooting is a legitimate use of the game areas and one that should be allowed to continue. This order will continue to allow target shooting in the Lapeer SGA, however, will stipulate that paper targets must be used. This provision will be clear for the public and allow for more consistent enforcement efforts for Law Enforcement Division. This order also regulates the legal hours for target shooting and discharging a firearm in the SGA.

Recommendation:

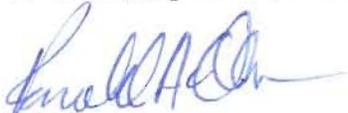

This order is being submitted for information and consideration. This item appeared on the Department's January 2012 calendar and may be eligible for approval on March 8, 2012.
