SUBMITTED: August 10, 2012

MEMORANDUM TO THE DIRECTOR

Information: Natural Resources Commission  
Subject: Order to Regulate Use of Rose Lake State Wildlife Area  
Land Use Orders of the Director Amendment No. 11 of 2012

Authority:

The Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, authorizes the Director to issue orders to implement land use rules.

Discussion and Background:

Raccoon hunting and trapping is prohibited within certain portions of the Rose Lake State Wildlife Area. Because the research that was being conducted that necessitated the closure has concluded, the Department recommends repealing the closure. The Department also feels confident that there is no biological or social reason to continue prohibiting the harvest of raccoons at the Rose Lake State Wildlife Area.

Recommendation:

This order was submitted for information on September 13, 2012 at the Natural Resources Commission Meeting. This item appeared on the Department's August calendar and may be eligible for approval on October 11, 2012.
