

# The Mathews Outback

The Outback is way out in front when it comes to high performance features...

- 100% Fully machined Aeroriser
- V-Lock Zero Tolerance Limb Cup System
- Harmonic Damping System
- Perimeter Weighted Technology
- Straightline HP Cam
- String Suppressors
- Inline Grip
- Zebra Hybrid Bowstring
- Ball Bearing Roller Guard
- Ball Bearing Idler Wheel

Note: When changing let-off you are also adjusting the draw by 1/2". If you switch from 65% to 80% you will gain 1/2". And when switching from 80% to 65% you will lose 1/2". **The 30" 65% Cam will NOT adjust to 80%, however, the 30" 80% is adjustable to 65%(29 1/2")**

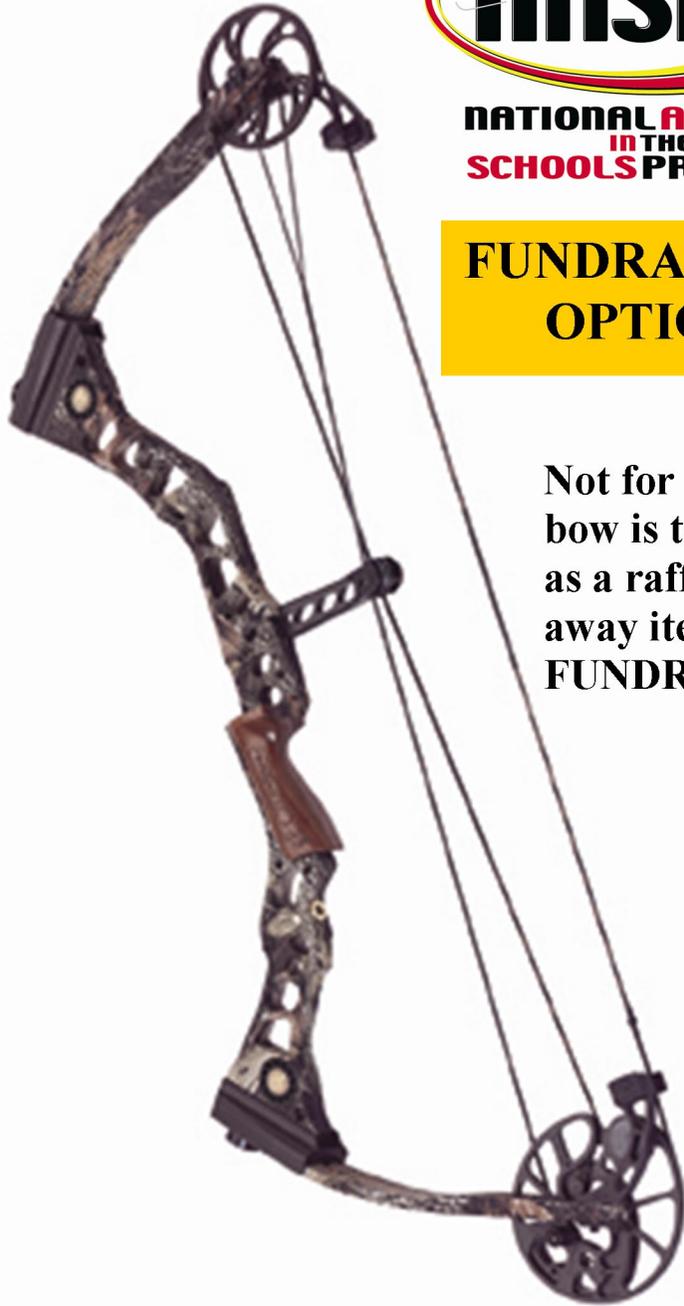

**MSRP \$729.00**

**Your Price \$375  
includes shipping**

**NATIONAL ARCHERY  
IN THE  
SCHOOLS PROGRAM**

**FUNDRAISING  
OPTION**

**Not for personal use  
bow is to be used  
as a raffle or give  
away item for a  
FUNDRAISER**

The "Outback" and the "Classic" models are available for purchase if you are a Government Agency or a Non-Profit 501c3 Organization. Some Schools have raised over \$2000 just by selling \$10 raffle tickets. Please contact **Bob Ohm** at **608-269-2728** or by email at **boh@mathewsinc.com** if you would like to take advantage of this great offer from Mathews Inc!
