

OME | OUTDOOR MEDICAL EQUIPMENT

Welcome

Thank you for your general interest in OME, Distributor of the TracFab. We are excited to invite you to join us in our initiative to change individuals lives.

We look forward to creating a trust based relationship by working together to create a network with a primary focus on helping individuals facing adversity.

Thank you,

OME Outdoor Medical Equipment, LLC

About Us

Our Mission

Provide individuals facing adversity with enhanced equipment to restore outdoor recreational activity.

Who is OME?

OME (Outdoor Medical Equipment) has operated under the belief that inherent in every individual is the ability to succeed and thrive in life. With a strong foundation of community support OME gives meaningful, life changing opportunities to individuals facing adversity in everyday life. We develop positive relationships that have a direct and everlasting effect on the lives of people.

OME is the sales and distribution center for well established company Trac Fabrication. Their tracked chair is called the TracFab, its for disabled individuals across the United States. Currently they offer two all-terrain wheelchairs . The TracFab is different from anything you've ever experienced before. Transferring from your normal chair to our TracFab is incredibly easy; our chair has a very low center of gravity, low track height, and a suspension seat to isolate the user from vibration. Using a high quality seat giving the user extreme comfort. While it offers customizable colors and multiple accessories to meet your specific needs.

"No one—not rock stars, not profession athletes, not software billionaires and not even geniuses—ever makes it alone"

-MALCOMB GLADWELL

OME is proud to partner with a well respected company like Trac Fabrication. A company with ambition to give a real product to individuals facing adversity in there life. Including support and determination in supporting our veterans and wounded soldiers. We feel blessed that we are able to be apart of giving veterans an opportunity to obtain these chairs through independent funds. Just as Trac Fabrications, we carry respect and thanks to all of the service men and women who serve our country.

We feel that we can speak on the behalf of Trac Fabrication that we look forward to creating relationships build upon a foundation of trust, honor, and respect. We cannot thank you enough for your support and we ask you to join us to spread awareness for this great product.

Our Product

If you are a disabled individual and have been looking for ways to improve your activity levels and mobility, an all-terrain Trac-Chair from Trac Fabrication could be your key to gaining greater independence and happiness. Our company proudly manufactures unique, all-terrain wheelchairs that take you places you previously couldn't go with your standard wheelchair or power scooter.

Have you been dreaming about enjoying the great outdoors again? Maybe you used to be an avid hunter or fisher, or perhaps you enjoyed a day at the beach with your family, taking in the warm sun and ocean breeze.

Do you miss being able to crunch through the leaves in autumn, or traverse the snow-covered woods? TracFab is committed to getting you back outdoors and enjoying life again!

Our Trac-Chairs keep you moving in the toughest regions without having to rely on someone to take you there. With two different chair models to choose from, we are confident that our company can help you achieve the type of mobility and independence you've been dreaming about.
