TO: Rebecca A. Humphries, Director

INFORMATION: Natural Resources Commission

Transaction: Phase II Land Review Initiative
Recommended Boundary Adjustment for Allegan County

In the spring of 2003, the Natural Resources Commission asked all Department of Natural Resources land administering divisions to review all existing project boundaries and submit updated boundary recommendations which were approved by the Director in May 2004.

During the Phase II land ownership review process for Allegan County, staff recommended adjustments to the Allegan State Game Area boundary. Allegan County Phase II recommendations were approved in June 2007. The Allegan State Game Area boundary should be modified to include two isolated parcels and two areas of State-owned land along the Kalamazoo River. No change in land ownership has occurred.

Recommendation: That the Allegan State Game Area project boundaries in Allegan County, Lee Township, T01N, R15W, Sections 2 and 4; and Otsego Township and City of Otsego, T01N, R12W, Sections 6, 21, and 22 be adopted as proposed and designated on the attached map.
