NASP® 2013 E-Championship Charity Tournament

Benefiting St. Jude Children's Research Hospital

Kids Helping Kids

In NASP® we are "Changing Lives one arrow at a time". NASP® and St. Jude Children's Research Hospital are joining forces in an on-line charity archery tournament to expand our influence to "Saving Lives one arrow at a time".

Since 2002 parents and teachers have reported how participation in NASP® has helped youth become better students, not just better archers. This new charity tournament will be another great lesson - about helping others.

NASP® will offer weekly online virtual tournaments beginning March 1st through May 3rd, 2013. The registration fee will be a donation of \$5.00 per participant per week. Proceeds will be donated to St. Jude Children's Research Hospital. All students in every NASP® school are eligible to participate. Students may be registered for one or more of the 9 weeks of this event. To participate, the coach, teacher or instructor visits www.nasptournaments.org ; register the students; pays on-line, conducts a NASP® event at the school and posts archers scores on the website.

Weekly prizes will be randomly presented to the schools of participating students. One lucky archer will be invited to present the donation check to St. Jude representatives in person at our NASP® National Tournament on May 11th in Louisville, Kentucky.

St. Jude has also set up a page on their website for additional contributions in the name of NASP® and this event. If you are interested you can visit www.stjude.org or click on the link below. St. Jude is offering a t-shirt to participants that log into their site and raise at least \$35.00 in additional donations though asking family, friends and community to contribute.

Please pass this information to every NASP® school, coach, student, parent and friend. Help make this event a huge success for the sake of the children of St. Jude. Together we can help St. Jude Children's Research Hospital continue "Finding Cures, Saving Children."

For more information about the NASPR and this event please go to: www.nasparchery.com as well as www.nasptournaments.org
