

Flower Drawing

www.michigan.gov/dnr

If in Southern Michigan, find a flower, wild or in a flowerbed, and using a piece of paper and pencil/crayons, sketch a picture of the flower as you see it. If the wildflowers are not blooming in your area. Find a field guide and draw a wild flower that can be found in your area. Then go and try and find one.

Draw a picture of a flower and describe it
