

YOU'RE INVITED!

You are cordially invited to celebrate the groundbreaking of the Globe Building "Outdoor Adventure & Discovery Center" at Milliken State Park & Harbor

*Saturday, October 6, 2012 at 10:30 a.m.
1900 Atwater St. Detroit*

Join us as we celebrate the next step in this exciting collaboration between the City of Detroit, the Detroit Economic Growth Corporation, and the Department of Natural Resources, made possible through a grant from the Michigan Natural Resources Trust Fund. The Globe Building "Outdoor Adventure & Discovery Center" will bring Michigan's outdoors in, through hands-on interactive exhibits. Please join us for this groundbreaking to bring the best of Michigan's outdoor recreation to the riverfront of Detroit.

The groundbreaking will be immediately followed by a bike ride along the Dequindre Cut and will include lunch provided by Detroit Eastern Market. Friends and family are encouraged to participate as well.

Please RSVP to Diane Munson at munsond@michigan.gov or by calling 517-241-0341 by September 24th.

Bikes will be available to rent through Wheelhouse Detroit by calling 313-656-BIKE, or feel free to bring your own.
