

Application/Permit to Use State Land – Additional Information
Hunting Guide Commercial Operations

The following additional information will be required when issuing a Permit to Use State Lands for commercial hunting guide operations. The intent of obtaining this information is to try and determine the intensity and distribution of use.

Please complete this form and return with your application.

- 1) Do you use State Lands for your business? _____

- 2) If so, please list all Counties used. (including Township if known)

- 3) What percentage of your guide business occurs on State lands? _____

- 4) What wildlife species do you guide for? _____

- 5) Please provide an estimate of the number of clients and the number of guided trips, by wildlife species, you provide each year. _____

- 6) When providing guide services, what methods do you use in pursuing wildlife? (e.g. calls and/or decoys, dogs for location/pursuing animals, bait to attract animals) Please list the method you use for each wildlife species. (e.g. calls and decoys for geese, bait and dogs for bobcats) _____

7) Do you employ other people to guide clients? If so, how many? _____

8) Do you and/or your clients camp on state land during the hunt periods in which you guide? If yes, do you camp in State Forest Campgrounds or in dispersed sites in the forest? _____
