

# Michigan's Hunting Tradition... *Pass it on!*

*Does your young hunter have the right size firearm?*

Mentored youth hunting regulations require that mentors ensure the hunting device is properly fitted and appropriately suited to the youth hunter. This event will give young hunters a chance to try a variety of firearms and archery equipment and get fitted with help from conservation officers.

Participants will get a free hat and a bag full of helpful resources for new hunters.

## 2013 Demonstration Days for Mentored Youth Hunters at DNR Shooting Ranges

Stop by between 4 and 8 p.m. on the following dates:

August 6 at Pontiac Lake Shooting Range in Waterford

August 7 at Ortonville Shooting Range in Ortonville

August 13 at Sharonville Shooting Range in Grass Lake

August 14 at Rose Lake Shooting Range in Bath
