My best experience during my week was when

My worst experience during my week was when

I wish I had more time to do

What was the most lasting experience your students took away from your visit?

What was the most lasting experience you as a teacher took away from your visit?

If there was one thing that you feel would make the Big History Lesson a better experience for both you and your students what would that be?

How well did your chosen week work for you?

The speakers I chose worked well with my lesson plans because

The speakers I chose DID NOT work well for my lesson plans because

Choose one program from your week and explain how it worked or didn't work with at least one curriculum standard. Please cite the one standard you were working to meet.

Many of our programs have shifted to a third grade level. If you are a third grade teacher, choose one program from your week and tell us how it worked or didn't work for your third graders.

Many of our programs are still at a fourth grade level. If you are a fourth grade teacher, choose one program from your week and tell us how it worked or didn't work for your fourth graders.

How well did doubling up your class work--

--for you as the teacher

--for the other teacher

-- for your students

--for your program needs

--for your transportation needs

Or did it not work for you—Please explain

What funding sources did you use for your program?

Please estimate your costs in being able to participate in this program. Include transportation, supplies, etc.

My parent participation was _____(fill in the blank). List some of the difficulties you have with parent participation.

Is there something we should/could be doing to help you inspire parents to participate?

What topics would you like to see developed by staff and docents for future programs?

Thank you for filling out this form! We appreciate your candid remarks!
