

MICHIGAN'S PUBLIC SAFETY COMMUNICATIONS SYSTEM
REVENUE COLLECTION
FOR THE PERIOD OCTOBER 1, 2007 TO MARCH 31, 2008

Section 577(4) of Public Act 127 of 2007 requires the Michigan Department of Information Technology report to the house and senate appropriations committees, house and senate fiscal agencies, and the state budget director the amount of revenue collected and expended for support and maintenance of the Michigan public safety communications system for the immediate preceding 6-month period.

The amount of revenue collected and expended for the 6-month period ended March 31, 2008 was **\$799,715.46**.
