

MI-Map... Your road map to school improvement.

It's a Given...

All educators want their students and school to succeed!

The Michigan Department of Education has developed a dynamic new tool kit called MI-Map. MI-Map was developed by educators for educators. It provides practical strategies and materials to shape, support, and sustain system-wide innovation and school improvement.

**From high priority to high performance...
What you need to get from HERE to THERE**

MI-Map supports the State Board of Education's goal to "attain substantial and meaningful improvement in academic achievement for all students/children with primary emphasis on high priority schools and students."
