RACE MEETING LICENSE APPLICATION ATTACHMENT R

ATTACHMENT R

(Application - Section IV - Required Narrative Statements - Question #2)

(State the approximate number and source(s) of horses needed for live racing dates and races requested by the applicant for its proposed 2011 race meeting. Specify what other race meetings in and around the state have historically depended upon the above described horse supply for their race meetings. Demonstrate how the above-described horse supply will be available and adequate for the live racing dates requested for the applicant's proposed race meeting(s).)
