## Michigan Office of Racing Commissioner Racetrack License Application

*Pursuant to Sec. 9 of the Horse Racing Law, Act 279 of 1995 as amended, a track license is required to maintain or operate a racetrack at which 1 or more race meeting licensees may conduct licensed race meetings in this State. Applicants for a track license must provide the following information, in the specified format to the Office of Racing Commissioner:*

---

(Legal Name of Applicant Business Entity)

### (INSTRUCTIONS)

1. Applicant must submit an original and five (5) copies of the complete track license application, attachments, and appendices.
2. All questions must be answered. Use separate attachments should answers not conveniently fit on the application form. Identify any separate attachments by question number and sub-letter. Attachments, if any, to each question must *immediately* accompany the appropriate page of the application.
3. The application documents must be printed on 8 ½ by 11 inch paper. Architectural drawings must be submitted on 11 by 15 inch paper, folded to 8 ½ by 11 inches. The documents must be paginated. The application must include a list of appendices that include the number and title of each appendix. The Office of Racing Commissioner may request additional information from an applicant after the application has been filed.
4. In any question where “persons” appears, such term shall include individuals, partnerships, associations, corporations, limited liability companies, firms, or other business entities.
5. If an application period has been designated, the applicant and all required information and documentation must be received in the Office of Racing Commissioner’s Lansing office no later than 5:00 pm EST on the last day of the application period. An incomplete application or an application filed after the deadline will not be accepted and may not be considered by the Racing Commissioner. Any questions concerning this application or the application process should be directed to the Office of Racing Commissioner staff at (517) 335-1420.
6. ***Be advised, that if any circumstances change any time after the application is received by the Office of Racing Commissioner, and therefore the application on file no longer presents the correct facts, the applicant must immediately submit an amended answer to the affected question(s). When doing so, the document must be titled “AMENDMENT TO RACETRACK LICENSE APPLICATION”, and reference the question number, effective date of change, the change in detail properly attested.***
