The above agencies have been selected by lead abatement contractors. This is not intended to be an exhaustive list and is provided solely as an information service to the lead abatement contractor. The State of Michigan does not endorse or recommend any agency. The lead abatement contractor is solely responsible for obtaining the appropriate coverage for his/her firm. If you would like to add an agency to this list, please contact The Healthy Homes Section at (517) 335-9390.
