**Part VIII: Public Act 289 Risk/Hazard Inventory of State Facilities**

1. Are any of your State facilities identified by DHS as Critical Infrastructure or Key Resources?  Yes  No  
 If yes, how many?  1-5  > 5
  
2. Do any State facilities exceed 4-stories in height?  Yes  No  
 If yes, how many?  1-5  5 - 10  > 10
  
3. Do any of your State facilities use/store large quantities of hazardous materials?  Yes  No  
 What best describes the use (check all that apply)?  
 Research/Labs  Storage Facility  Military/Weapons Dispensary
  
4. Do any of your State facilities staff more than 250 employees?  Yes  No  
 If yes, how many?  1-5  5 - 10  > 10
  
5. Are any of your State facilities stadiums, auditoriums or other venues designed primarily for large public assembly?  
 If yes, what is the maximum capacity for your largest venue?  
 1000 -4999  5000-9999  >10,000
  
6. Do any of your state facilities house special populations?  
 If yes, what best describes that population (check all that apply)?  
 Students  Prisoners  Special Needs  Other \_\_\_\_\_

7. Do any of your state facilities have symbolic or psychological significance?  Yes  No

These include facilities where occupants:

- Make decisions essential to conducting official state government business
- Pass state legislation
- Provide final arbitration or interpretation of legal issues
- House original historical records or artifacts of unique significance
- Regularly house military personnel or store military equipment and records that are essential in protecting and defending the state
- Engage in special research
- Other

8. Do any of your state facilities house information, records, or personnel with specialized knowledge or skills necessary to conduct essential national or state government functions?  Yes  No

9. Government facilities that regularly house military personnel store military equipment and records that are essential in protecting and defending the state?  Yes  No
