Part VIII: Public Act 289 Risk/Hazard Inventory of State Facilities

- Are any of your State facilities identified by DHS as Critical Infrastructure or Key Resources? Yes No
 If yes, how many? 1-5 > 5
- Do any State facilities exceed 4-stories in height? Yes No
 If yes, how many? 1-5 5 - 10 > 10
- Do any of your State facilities use/store large quantities of hazardous materials? Yes No
 What best describes the use (check all that apply)?
 Research/Labs Storage Facility Military/Weapons Dispensary
- Do any of your State facilities staff more than 250 employees? Yes No
 If yes, how many? 1-5 5 - 10 > 10
- Are any of your State facilities stadiums, auditoriums or other venues designed primarily for large public assembly?
 If yes, what is the maximum capacity for your largest venue?
 1000 -4999 5000-9999 >10,000
- Do any of your state facilities house special populations?
 If yes, what best describes that population (check all that apply)?
 Students Prisoners Special Needs Other _____

7. Do any of your state facilities have symbolic or psychological significance? Yes No

These include facilities where occupants:

- Make decisions essential to conducting official state government business
- Pass state legislation
- Provide final arbitration or interpretation of legal issues
- House original historical records or artifacts of unique significance
- Regularly house military personnel or store military equipment and records that are essential in protecting and defending the state
- Engage in special research
- Other 5-Prisons/Michigan National Guard/MDOT/MDOT Regional/DNR/Prison Hospital

8. Do any of your state facilities house information, records, or personnel with specialized knowledge or skills necessary to conduct essential national or state government functions? Yes No

9. Government facilities that regularly house military personnel, store military equipment and records that are essential in protecting and defending the state? Yes No
