Program Oversight

- The program is operated by a private sector contractor to maintain participant confidentiality
- The contractor operates under the authority of the Health Professional Recovery Committee (HPRC)
- The Michigan Department of Licensing and Regulatory Affairs - Bureau of Health Care Services provides administrative services to the HPRC as well as funding for the contract

 - Missing work or frequently tardy
 - Failing to keep scheduled appointments
 - Late submissions of reports or assignments
 - Asking others to cover for hours or errors
 - Unacceptable error rates
 - Volunteering for drug-oriented tasks

Information Provided by LARA/BHCS/HPD

Health

Professional

Recovery

Program

Supporting Michigan Health Professionals since 1994

Reasons for Referral

- Physical Changes:
 - A deterioration in personal hygiene
 - Changes in eating patterns or body weight
 - Changes in sleeping patterns
- Substance Abuse / Addiction
 - Documented diversion of controlled substances
 - Observed intoxicated behavior within the workplace
 - Reports of positive drug screen
 - Behavior that indicates impairment or addiction
 - Documented convictions or legal issues related to alcohol and other drugs

Information Provided by LARA/BHCS/HPD

Supporting Michigan Health Professionals since 1994

Non-Regulatory Referral Process

- Information gathering
- Assessment by approved service provider.
 - Qualifying Diagnosis: Enter into a Monitoring Agreement
 - No Qualifying Diagnosis: File Closed
- Monitoring agreement drafted. Elements include:
 - Approvals: employment, worksite, hours
 - Controlled Substances access
 - Worksite monitor
 - Drug screens
 - Group/individual therapy
 - Periodic reports
 - Duration

Information Provided by LARA/BHCS/HPD

Supporting Michigan Health Professionals since 1994

Non-Regulatory Process

- Confidential in nature
- Records expunged after 5 years for voluntary participants who have fulfilled monitoring agreement and have shown no indication of relapse

Information Provided by LARA/BHCS/HPD

Supporting Michigan Health Professionals since 1994

Regulatory Referral Process

- Boards or disciplinary subcommittees require involvement as a condition of being allowed to continue or resume practicing their profession
- Monitoring Agreements typically contain the same elements as for non-regulatory participants
- Regulatory participation is subject to FOIA and Federal reporting requirements:
 - National Practitioners Data Bank
 - Health Integrity Practitioners Data Bank
 - Non-Confidential
 - Permanent mark on the licensee's record

Information Provided by LARA/BHCS/HPD

Supporting Michigan Health Professionals since 1994

Benefits of the HPRP

- Protect the public's health and safety while encouraging and supporting the health care professional's recovery
- Substance use and/or mental health disorders are treatable conditions
 - *Early identification and intervention lead to more positive outcomes*
 - *Careers will be saved*
 - *No licensing action if compliant, i.e., no loss of license*
 - *Able to work while addressing issues*
 - *Participant involvement and records are not subject to public disclosure*
 - *Fair consequences for unhealthy behaviors*

Information Provided by LARA/BHCS/HPD

Supporting Michigan Health Professionals since 1994

Commitment of the HPRP Participant

- Active participation in recovery is required
 - *Requires significant effort and dedication*
 - *Cost commitment*
 - *Time commitment*

Information Provided by LARA/BHCS/HPD

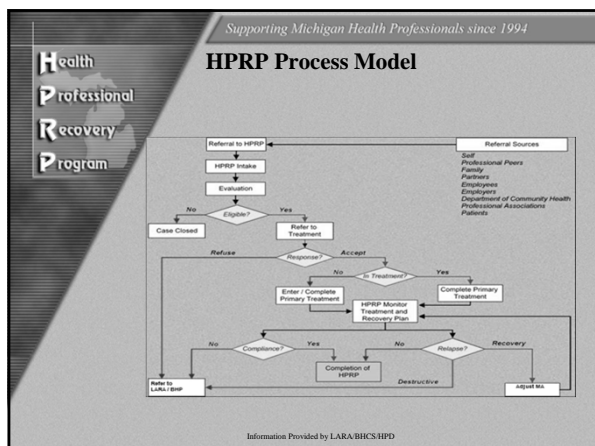

Supporting Michigan Health Professionals since 1994

Costs Involved

- Total cost of participation may vary depending upon:
 - Participant's diagnosis
 - Severity of the participant's condition
 - Participant's insurance coverage
 - Length of time the participant is in the HPRP
 - Participant's compliance with HPRP requirements
- Licensee (or his/her insurer) is responsible for:
 - Evaluation
 - Treatment
 - Drug Testing
 - Other services such as group or individual therapy

Health Professional Recovery Program

Mandatory Reporting Requirements

Section 333.16221:

- A violation of general duty, consisting of negligence or failure to exercise due care including negligent delegation to or supervision of employees or other individuals, whether or not injury results, or any conduct, practice, or condition that impairs, or may impair, the ability to safely and skillfully practice the health profession.
- Personal disqualifications, consisting of 1 or more of the following:
 - Incompetence.
 - Subject to sections 16165 to 16170a, substance abuse as defined in section 6107.
 - Mental or physical inability reasonably related to and adversely affecting the licensee's ability to practice in a safe and competent manner.
 - Declaration of mental incompetence by a court of competent jurisdiction.
 - Conviction of a misdemeanor that is reasonably related to or that adversely affects the licensee's ability to practice in a safe and competent manner. A certified copy of the court record is conclusive evidence of the conviction.
- (iv) Obtaining, possessing, or attempting to obtain or possess a controlled substance as defined in section 7104 or a drug as defined in section 7105 without lawful authority; or selling, prescribing, giving away, or administering drugs for other than lawful diagnostic or therapeutic purposes.

Health Professional Recovery Program

Mandatory Reporting Requirements (continued)

Section 333.16222: Requires licensed/registered health care professionals to make good faith reports of any suspected violations of the Code to LARA, Bureau of Health Care Services.

Exceptions:

- Licensees involved in a bona fide provider-patient relationship.
- Information obtained during an ethics or peer review function whether for a professional association or in a health facility or agency.

Section 333.16222(3): Requires a licensee or registrant to notify the department of a criminal conviction or a sister-state sanction within 30 days after the date of the conviction or action.

Section 333.16223: Allows a report of suspected substance use or mental health disorders to be made to the HPRP in lieu of LARA, Bureau of Health Care Services.

Section 333.16223(3): Good Faith Reporting

Section 333.16236:

- Mental or Physical Examination
- Licensee/Registrant Consent/Waiver

Mandatory Reporting Requirements (continued)

Section 333.16244: Immunity from Civil or Criminal Liability
Section 333.16247: Reinstatement Criteria
Section 333.20175: Requires reporting to LARA, Bureau of Health Professions if:

- Disciplinary action results in change of employment status.
- Disciplinary action is based on conduct that adversely affects clinical privileges for 15 days or more.
- Restriction or acceptance of the surrender of clinical privileges if:
 - the licensee or registrant is under investigation, or
 - there is an agreement in which the facility or agency agrees not to conduct an investigation into alleged professional incompetence or improper professional conduct.
- The health professional resigns or terminates a contract or whose contract is not renewed instead of the health facility taking disciplinary action against the health professional.
