**LICENSING APPEAL ORDER**

On July 25, 2012, Jenna Ellis (applicant) filed a request for a new Salesperson license.

At a meeting held on August 8, 2012, the Commission denied this request under administrative rule R 436.1105(2), (g), (ii), and (j) after considering the applicant's prior conviction history and failure to report the conviction to the Commission.

The applicant submitted a timely request for an appeal in this matter and appeared at the September 25, 2012 hearing, held at the Commission's Lansing office.

After hearing arguments, reviewing the MLCC file, and discussion of the issue on the record, the Commission finds that the applicant sufficiently demonstrated mitigating circumstances relative to her past conviction record, removing the previous questions concerning the applicant.

The Commission finds sufficient reasons to reverse its denial issued in this matter and to approve the applicant's request for the reasons stated on the record.

THEREFORE, IT IS ORDERED that:

A. The denial order of August 8, 2012 issued in this matter is reversed and the applicant's request is APPROVED.

B. Under administrative rule R 436.1003, the licensee shall comply with all state and local building, plumbing, zoning, sanitation, and health laws, rules, and ordinances as determined by the state and local law enforcements officials who have jurisdiction over the licensee. Approval of this license by the Michigan Liquor Control Commission does not waive any of these requirements. The licensee must obtain all other required state and local licenses, permits, and approvals before serving or selling alcoholic liquor.

C. Failure to comply with all requirements of licensure in the State of Michigan will result in the licensee being charged with a violation of the Michigan Liquor Control Code, MLCC Administrative Rules, and Commission order, which may result in fines, suspension, and/or revocation of this license.
