

New Medical Marihuana Rules – Effective January 15, 2015

On January 15, 2015, new medical marihuana rules will take effect and be implemented. The new rules do all of the following:

- Establish a \$60 application fee for all qualifying patients (reduced from \$100).
- Eliminate the reduced \$25 application fee.
- Require that caregivers pay a \$25 processing fee for each required criminal background check.

Due to the rule changes, applicants who apply for registry cards on or after January 15, 2015 must use the new forms that will be available on our website at www.michigan.gov/mmp.
