

SHAPING THE FUTURE PLAINFIELD FIRE DEPARTMENT

MAY 19 & 20
•
8AM TO 5PM

Course Details

This two-day leadership course is designed to assist first and second line supervisors in developing the knowledge and skills for organizational problem solving. The course is a pre-requisite requirement for the NFA's Managing Officer Program.

Topics include; identifying departmental trends, organizational improvement, problem solving for staff members resistant to change, and strategies for implementing change. Students will learn through lecture, small and large group exercises, and individual assessments.

Those interested in attending the course should register on the States SMOKE website. The class will be held at the Plainfield Fire Department training center located at 4343 Plainfield Avenue NE, Grand Rapids MI 49525. Please email or call District Chief Kyle Svoboda with any questions. svobodak@plainfieldmi.org or 616-361-2895
