

## **Licensee Responsibility**

(Music)

Hi I'm Andy Deloney, Chairman of the Michigan Liquor Control Commission. We strive to ensure our licensees protect their customers by not selling to underage patrons or over serving their customers. Michigan businesses licensed to sell alcohol are an asset to our economy and the Commission wants responsible, law-abiding licensees to succeed. To learn more about the Michigan Liquor Control Commission and how we support licensees and protect consumers, visit our website at [michigan.gov/lcc](https://michigan.gov/lcc).

A public service message from the Michigan Liquor Control Commission.
