

**Bureau of Construction Codes  
Local School Construction Enforcement List**

The Local School Construction Enforcement List is a listing of those local code enforcement agencies, in conjunction with the local school board, that have received approval to locally enforce school construction within a particular school district.

**NOTE: LOCAL CODE ENFORCEMENT IS GRANTED ONLY FOR THE SCHOOL BUILDINGS OF THE SCHOOL DISTRICT WITHIN THE JURISDICTIONAL BOUNDARIES OF THE REQUESTING CODE ENFORCEMENT AGENCY. Any school buildings and structures within other governmental subdivision boundaries are not delegated.**

The list shows the local unit of government, the county it is located in, the school district it has local school construction enforcement responsibility for, and the effective date.

Each approval is effective for a 1-year period.
