

NOTICE

We previously provided notice that, as of January 1, 2016, the Bureau of Employment Relations (BER/MERC) would no longer accept filings on behalf of the Michigan Administrative Hearing System (MAHS) (e.g. filings addressed to an ALJ). We stated that any pleadings or other documents filed at BER that should have been filed at MAHS would be returned to the sender and not be treated as filed by MAHS.

Subsequent to this, MAHS agreed to allow MERC to receive pleadings or other documents that should have been filed at MAHS. Nonetheless, parties are requested and encouraged to file pleadings and documents with MAHS once an ALJ has been assigned to a case.
