MORTUARY SCIENCE STATE EXAM – STUDY GUIDE

1. The Michigan Department of Licensing and Regulatory Affairs (referred to as the Department) has contracted with PSI Services, LLC (PSI) to conduct the Board of Examiners in Mortuary Science State Jurisprudence examination program. PSI works closely with the Department to make certain that this examination meets the State's, as well as nationally established, technical and professional standards for examination development and administration. PSI provides this examination through a network of computer examination centers in Michigan.
2. The Department approves license eligibility. Once approved, applicants receive an "Authorization to Test" that advises the applicant of the Department's approval. The applicant is advised to register, pay for, and schedule the license exam directly with PSI.

PSI-administered state jurisprudence examinations in Michigan began March 9, 2007. The Candidate Information Bulletin (CIB) for Mortuary Science is currently available on the PSI website: www.psiexams.com

Questions about the CIB or the examination registration process can be directed to the Testing & Education Services unit at 517-241-9289.
