LICENSING APPEAL ORDER

On October 20, 2014, Motor City Hotel, LLC (A Kentucky Limited Liability Company) (applicant) filed a request to transfer ownership of the escrowed 2014 Resort B-Hotel license (with 224 Rooms) issued under the provisions of MCL 436.1531(4) with Sunday Sales Permits (A.M. & P.M.), Specific Purpose Permit (Food), and three (3) Bars from AHHS Acquisition, LLC (A Delaware Limited Liability Company), held at the above-noted address. The applicant also requested a new Specially Designated Merchant license to be held in conjunction with the existing license.

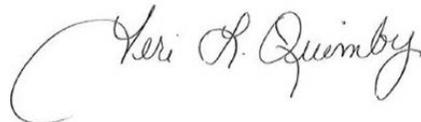

At a meeting held on February 11, 2015, the Commission denied this request under administrative rule R 436.1103(2) because the applicant failed to provide all of the financial information and documentation required to complete the investigation and processing of this request.

Kelly Allen, legal counsel on behalf of the applicant, submitted a timely request for an appeal in this matter and represented the applicant at the July 30, 2015 hearing, held at the Commission’s Southfield office.

After hearing arguments, reviewing the MLCC file and updated documents, and discussion of the issue on the record, the Commission finds that this application should be returned to Commission staff for further processing.

THEREFORE, IT IS ORDERED that the denial order of February 11, 2015 issued in this matter is REVERSED and this application is REMANDED to Commission staff for further processing.
