Training to identify the victims of human trafficking is required under MCL 333.16148 of the Michigan Public Health Code, 1978 PA 368, or R 339.14002 of the Nursing Home Administrators General Rules. However, the Department does not approve these programs as it is a training requirement rather than a continuing education requirement. MCL 333.16148 and R 339.14002 are specific as to acceptable providers or methods of training and the training content that must be covered. To see if this program meets the requirements please review the rule cited above.
