**EX PARTE PETITION FOR APPROVAL TO
SETTLE PENDING LAWSUIT AGAINST AMERICAN COMMUNITY**

Kevin Clinton,¹ Commissioner of the Michigan Office of Financial and Insurance Regulation, as Rehabilitator of American Community Mutual Insurance Company (the "Rehabilitator"), by and through his attorneys, Bill Schuette, Attorney General, and Christopher L. Kerr, Assistant Attorney General, petitions this Court pursuant to MCL 500.8115(1) to approve the settlement reached in a lawsuit currently pending against American Community

¹ Governor Snyder duly appointed Kevin Clinton to succeed Ken Ross as the Commissioner of OFIR effective April 18, 2011. Consequently, Commissioner Clinton became the Rehabilitator of American Community on that date.

Mutual Insurance Company ("American Community"). In support of this Ex Parte Petition, the Rehabilitator states as follows:

1. On April 8, 2010, this Court entered an Order placing American Community into Rehabilitation and appointing the Commissioner as the Rehabilitator of American Community.

2. MCL 500.8115(1) governs legal actions or proceedings involving American Community that were pending when the Rehabilitation Order was entered. The statute provides, *inter alia*, that "[t]he rehabilitator shall take action respecting the pending litigation as he or she considers necessary in the interests of justice and for the protection of creditors, policyholders, and the public."

3. The Rehabilitator seeks the Court's approval to settle the following lawsuit currently pending against American Community:

a. *Schmidt v. American Community, et al.* This lawsuit was filed in the District Court for Tulsa County Oklahoma. The Complaint alleges claims against American Community for breach of contract and bad faith. In addition, Plaintiff alleges a claim of misrepresentation against Defendants Mastin Insurance Services and Richard Mastin. The claims at issue arise from American Community's rescission of Plaintiff's insurance policy and subsequent decision to enter an administrative exception agreement with him for the payment of medical bills. Plaintiff made an initial demand of \$100,000 for emotional distress, punitive damages and attorney fees. Through negotiations, Plaintiff has agreed to settle the lawsuit in exchange for American Community's payment of \$10,000.

4. With limited exceptions not applicable here, Paragraph 14 of the Rehabilitation Order prohibits the payment of any Creditor claims for goods or services provided prior to the date that the Order was entered until further order of the Court. The claims of the Plaintiff in the lawsuit at issue arises from services provided or actions taken prior to the date of the Rehabilitation Order. Moreover, the exceptions in Paragraph 14 do not apply because the Plaintiff is not a "policyholder" if his policy was properly rescinded or terminated by agreement. Accordingly, an order approving the proposed settlement is needed from the Court.

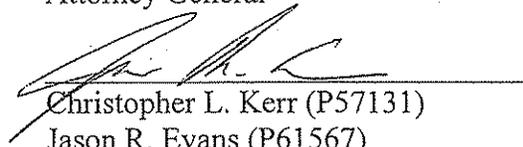

5. The Rehabilitator believes that the settlement of this lawsuit in the amount indicated above and on the terms contained in the settlement agreement (which is not attached due to confidentiality provisions and/or concerns) is necessary and appropriate, is in the interests of justice, and will promote the protection of American Community's creditors, policyholders, and the public. A comparison of the settlement amount to the amount of the Plaintiff's original claim evidences that the settlement is reasonable and will limit potential liability to the Rehabilitation Estate. Moreover, the settlement is relatively modest in amount and would likely be exceeded by legal and other costs if the case was adjudicated to judgment in this Rehabilitation or otherwise.

6. Providing personalized notice of this Ex Parte Petition and any resulting Order to all parties that may have an interest in this matter is impossible at this time because there has been no claims submission or other process to identify such parties. Moreover, attempting to identify and personally notify parties in interest would be time-intensive and costly to American Community's Rehabilitation Estate. For this reason, the Rehabilitator requests that the Court authorize and ratify service of this Ex Parte Petition and any resulting Order by posting electronic copies on the OFIR website, www.michigan.gov/ofir, under the section "Who We Regulate" and the subsection "American Community." Service in this manner is reasonably calculated to give interested parties actual notice of these proceedings and is otherwise reasonable under the circumstances.

WHEREFORE, for the reasons stated above, the Rehabilitator respectfully requests this Court to approve the settlement reached in the above-referenced lawsuit, in the amount and on the terms more fully set forth in the settlement agreement. The Rehabilitator further requests the Court to authorize and ratify service of this Ex Parte Petition and any resulting Order by posting electronic copies on the "American Community" section of OFIR's website.

Respectfully submitted
