**INSTRUCTIONS FOR NURSING HOME ADMINISTRATOR CONTINUING EDUCATION  
SPONSOR APPLICATION**

Authority: Public Act 368 of 1978, as amended. If this form is not completed, certification will not be issued.

**GENERAL INFORMATION:**

All nursing home administrators must complete approved continuing education (CE) courses in order to be eligible for renewal. Sponsors seeking approval of a continuing education program that is not already approved by the NAB (National Association of Long Term Care Administrator Boards) may apply for approval of the CE program by completing the enclosed application.

**SPONSOR APPLICATIONS:**

1. Applications must be received at least 45 days prior to the program being held. This allows for processing and notification of approval prior to the event.
2. All documentation must be included to avoid processing delays.
3. Attendance Monitoring: Please indicate how attendance is monitored by including sample documents and the name of the person monitoring the attendance. The Board wants assurance that attendees are checked out when leaving and checked back in when returning. These times should be verified by the person monitoring attendance. This procedure should include times in which the attendees leave one topic and go to another topic, within the same program.
4. Sponsors are required to maintain written records of individual attendance for a period of three (3) years, per Rule 339.14027(1).
5. Credits will be calculated using a 50-60 minute hour. To be given credit for one hour, the educational program must be at least 50 minutes long. A program that is scheduled for 50-60 minutes is equal to one credit hour of CE.

Partial credit may be calculated as "total educational session minutes divided by 50, rounding to one decimal point," as illustrated in the following examples:

**Example 1:** If the total duration of the "educational session" is 275 minutes, then:  
 $275 \div 50 = 5.5$  continuing education credits.

**Example 2:** If the total duration of the "educational session" is 280 minutes, then:  
 $280 \div 50 = 5.6$  continuing education credits.

6. Credits may be awarded only for time spent in **education sessions**. Registration, breaks, meals, time spent on evaluations, introductions, etc., are not computed in the educational session credits, per Rule 339.14031(1).
