

BOILER INFORMATION - REPAIRERS EXAMINATION

In an effort to give you guidance as you prepare for the upcoming boiler examination, please read the following information.

Repairer's examination (class I - IV), you will need to study the following:

- a. The Michigan Boiler Rules – **2013** edition (effective **November 30, 2013**)
- b. The Michigan Boiler Act 290 or 1965 (amended **February 12, 2014**)
- c. ASME Code Section I, IV, IX - **2010** edition with **2011** addenda
- d. ASME B31.1 Power Piping **2010** edition
- e. National Board Inspectors Code **2011** edition

The examinations are Open Book. The examinee is responsible to bring the applicable codebooks to the examination.

Examinations, offered quarterly: March, June, September, and December.

NOTE: Electronic copies and/or photocopies of the codebooks are Not allowed during examination.

All applications must be in the Boiler Division office 30 days prior to the examination date.

To purchase the Michigan Boiler Act and Rules submit a check or money order payable to **State of Michigan** in the amount of \$10.00; mail to **Michigan Department of Licensing and Regulatory Affairs, Bureau of Construction Codes P.O. Box 30255, Lansing, MI 48909**. In lieu of payment, you can download and print a copy from the Bureau's website at www.michigan.gov/bcc.
