In the matter of:

State Boundary Commission  
Docket # 10-I-2

The proposed Incorporation of the Village of Dexter  
and land in Webster and Scio Townships  
as a Home Rule City

## SUMMARY OF PROCEEDINGS, FINDINGS OF FACT AND CONCLUSIONS OF LAW

### SUMMARY OF PROCEEDINGS

1. On December 22, 2010, a petition was filed with the State Boundary Commission requesting that the Village of Dexter be incorporated as a Home Rule City.
2. On May 24, 2011, the State Boundary Commission staff issued its comments to the commission after reviewing the petition for legal sufficiency. Staff stated "Based upon our review, it is our position that legal sufficiency has been met for this petition." This memorandum is included as Exhibit "A"
3. On June 16, 2011, at an adjudicative meeting held in Okemos, the State Boundary Commission examined the petition for legal sufficiency. At this meeting, Webster Township's attorney raised objections to the approval of legal sufficiency of the petition based upon the inclusion of (2) areas currently under a 1984 PA 425 Intergovernmental Conditional Transfer Agreement with the Township being included in the area proposed for Incorporation. His objection was based on the language in MCL 124.29 stating that "another method of annexation or transfer shall not take place for any portion of an area transferred under the contract." The Commission voted to postpone the vote on legal sufficiency until they could receive written advice from the Attorney General's office regarding whether an area under a 1984 PA 425 Conditional Transfer Agreement can be included in an Incorporation of a new Home Rule City.
4. On August 15, 2011, Assistant Attorney General Stephen Rideout issued a memorandum of division level advice regarding 1984 PA 425 agreements for the commission's consideration for this petition.
5. On August 18, 2011, at an adjudicative meeting held in Okemos, the State Boundary Commission examined the petition for legal sufficiency. Assistant Attorney General Stephen Rideout provided the aforementioned memorandum for the Commission's use and summarized it orally to the Commission by stating that "there was no impairment as far as

legal sufficiency goes under MCL 124.29". Local Commissioner Prater stated that he disagreed with this interpretation and that "this issue should be resolved by the parties involved and not the Commission." The Commission was concerned that the advice would allow the 1984 PA 425 Agreement to be declared null and void upon the Incorporation of the Village as a City. State Commissioner Priebe moved that the petition be found as legally insufficient on the grounds that "a deal is deal and if they made a deal on some properties they should be held in place going forward" and that "if we don't find legally insufficient and allow you to go back and change your boundaries you are going to end up in circuit court which does not serve anyone's interest." Local Commissioner Prater supported the motion. The Commissioners present voted unanimously to declare this petition legally insufficient, pursuant to 1968 PA 191, based upon the inclusion of areas under a current 1984 PA 425 Intergovernmental Conditional Transfer agreement with the Township of Webster.

6. On September 15, 2011, at an adjudicative meeting, the state and local commissioners present voted to adopt the draft Summary of Proceedings, Findings of Fact and Conclusions of Law.
7. On October 24, 2011, after review of the docket, the Director of the Department of Licensing and Regulatory Affairs issued an order that the petition was legally sufficient and that a public hearing be scheduled as required by MCL 123.1008. A copy of the DLARA Director's order is included as Exhibit "B".
8. On November 17, 2011, at a meeting held in Okemos, the Commissioners scheduled a public hearing at the Dexter District Library for January 17, 2012 at 4:00 p.m.
9. On January 17, 2012, the Commission held a public hearing in Dexter. At this meeting the Village of Dexter, Webster Township and the Dexter Historical Society presented a map and legal description of a new boundary for the proposed city that had been mutually agreed upon and that the parties asked the Commission to consider. The changes only affected portions of the proposed city within Webster Township. The 30-Day public comment period expired on February 16, 2012; and the 7-Day rebuttal period expired on March 19, 2012.
10. On May 9, 2012, at an adjudicative meeting in Okemos, the Commission voted unanimously to recommend that the Director of the Department of Licensing and Regulatory Affairs approve the revised boundary that had been presented and agreed upon by the interested parties. The map and description of the revised boundary approved by the Commission is attached as Exhibit "C".
11. On June 13, 2012, at an adjudicative meeting, the Commission voted unanimously to adopt the draft Summary of Proceedings, Findings of Fact and Conclusions of Law recommending the Director of the Department of Licensing and Regulatory Affairs sign an order approving the proposed revised boundary incorporating the Village of Dexter and land in Scio and Webster Townships as a Home Rule City.

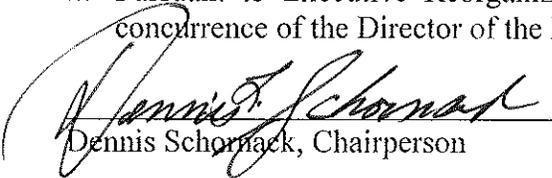

12. On July 13, 2012, the Director of the Department of Licensing and Regulatory Affairs signed an order approving the proposed revised boundary incorporating the Village of Dexter and land in Scio and Webster Townships as a Home Rule City. A copy of the DLARA Director's order is included as Exhibit "D".
13. On August 23, 2012, petitions requesting a vote to determine whether the city incorporation process should be continued were filed with the State Boundary Commission.
14. On October 10, 2012, at an adjudicative meeting in Okemos, the State Boundary Commission voted to approve the petition for a referendum on the incorporation question as legally sufficient.
15. On October 10, 2012, at an adjudicative meeting in Okemos, the Commission voted to adopt the draft Summary of Proceedings, Findings of Fact and Conclusions of Law recommending the Director of the Department of Licensing and Regulatory Affairs order a referendum on the question of continuing the city incorporation process.

### FINDINGS OF FACT

1. The State Boundary Commission finds that the petitions submitted requesting a referendum on the question of continuing the city incorporation process contained enough signatures of registered electors residing in the area proposed for incorporation to require a referendum vote under MCL 123.1010.
2. The petitions were filed within the 45 day timeframe of the date of the signature on the order approving the incorporation, as required by MCL 123.1010(3). These petitions contained 369 signatures which were verified by the clerks of Webster and Scio Townships as registered electors representing 11% of the population residing in the area proposed for incorporation.

### CONCLUSIONS OF LAW

1. The State Boundary Commission has considered the requirements in section 10 of 1968 PA 191, MCL 123.1010 and concludes that the petitions submitted requesting a referendum on the question of continuing the city incorporation process contained enough signatures of registered electors residing in the area proposed for incorporation to require a referendum vote for the incorporation of the Village of Dexter and land in Webster and Scio Townships as a Home Rule City.
2. Pursuant to Executive Reorganization Order 1996-2, this approval is contingent on the concurrence of the Director of the Department of Licensing and Regulatory Affairs.

Subject: Docket # 10-I-2 Legal Sufficiency Review  
Petition to Incorporate the Village of Dexter as a Home Rule City  
(Washtenaw County)

---

The following comments are for your consideration on the legal sufficiency of this petition:

1. This petition to request the incorporation of the Village of Dexter and parts of Webster and Scio Townships, as a Home Rule City in Washtenaw County was filed with the State Boundary Commission on December 27, 2010.
2. The population of the area proposed for incorporation is 2,338 based on the 2000 Census. The land area of the proposed city is approximately 2.0 square miles. The density is approximately 1169 inhabitants per square mile. The population and density criteria to incorporate as a home rule city is in compliance with the Home Rule City Act (MCL 117.7).
3. The petition contains 178 signatures. The Scio and Webster township clerks validated 160 signatures as being qualified electors and freeholders residing in Scio and Webster Townships. The Boundary Commission Act requires valid signatures of at least 5% of the population, or 100, whichever number is greater, and who are qualified electors and freeholders of the territory affected by the proposed new incorporation (MCL 123.1007(2)). Therefore, since 5% of the proposed city's population of 2,338 is 117, the valid signature requirement is met.
4. Two of the areas shown on sheet 2 of the 3 sheet Part 1 map of the Petition are part of a PA 425 of 1984 Conditional Transfer Agreement executed between the Village of Dexter and the Township of Webster. The area shown as "Westridge of Dexter Condominium" was conditionally transferred to the Village of Dexter and filed with the Secretary of State Office of the Great Seal on June 26th, 1997. The area shown as "Parcel 1A" of the Part I map was

conditionally transferred to the Village of Dexter and filed with the Office of the Great Seal on December 29th, 2006. Based upon the documentation provided by the Office of the Great Seal both agreements are still in effect.

5. The PART I map shows the area of the proposed city to be contiguous. The PART III legal description titled "Legal Description Village of Dexter" contains one description. The PART III legal description is substantially accurate and consistent with the PART I Map as required by State Boundary Commission rule 25(1). [R123.125(1)]
6. Based upon our review, it is our position that legal sufficiency has been met for this petition.

Sincerely,
