

## An Informative Full-Day Seminar:

### Parts 472 & 554 -

# Medical Services & First Aid, Bloodborne Infectious Diseases

## 1 Who Should Attend . . .

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

## 2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TEC<sup>SM</sup> facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log-on to the CET Division website at [www.michigan.gov/mti](http://www.michigan.gov/mti).

## 3 What You'll Learn . . .

Exposure to bloodborne infectious diseases is identified as a significant source of occupational illness. The lack of first aid and medical services can lead to serious physical harm or death. This full day course was developed to teach participants: the requirements of Part 472 Medical Services & First Aid, and Part 554 Bloodborne Infectious Diseases; to determine if facilities and employees are covered by the standards; to prepare a written exposure control plan; and, to ensure employees receive proper care following an occupational exposure or injury. This course is designed for general industry with emphasis for healthcare facilities.

Required Class For  
Occupational Health  
Level Two  
MTI Certificate

### Agenda

*We offer a flexible program agenda to emphasize the health and safety topics you want most.*

- ▶ Determine the applicability of Part 554 Bloodborne Infectious Diseases standards to specific personnel and facilities.
- ▶ Evaluate written exposure control plan.
- ▶ Identify proper engineering, work practices, and personal protective equipment controls to reduce or eliminate exposure.
- ▶ Implement a program for proper management, decontamination, and disposal of contaminated materials.
- ▶ Evaluate availability and accessibility of exposed and injured employees to first aid and medical services.

The meeting site and parking is accessible. Individuals attending the meeting are requested to refrain from using heavily scented personal care products, in order to enhance accessibility for everyone. People with disabilities requiring additional services (such as materials in alternative format) in order to participate in the meeting should call 517-284-7720 at least 30 days before the program. The Department of Licensing and Regulatory Affairs is an equal opportunity employer/program.

## ***MIOSHA Education Training Materials Have Gone Electronic***

MIOSHA Training Institute (MTI) classes has changed the delivery of its printed education materials to an electronic format.

Before a seminar or workshop, registered attendees for this class will receive an e-mail with a link and instructions for accessing electronic presentation slides. The handout can be printed in advance or downloaded onto a laptop, tablet or smartphone to view during the seminar or workshop. A flash drive will be provided at the class which will include additional handouts and reference materials.

**Important:** When registering for this class, please provide your complete email address.

***Remember to download your course handout ahead of time!***

### ***Frequently Asked Questions***

**Q: How will I receive my materials?**

**A:** You will receive an e-mail from this cosponsor, which will include instructions and a link to the MIOSHA website. Download the handout to your computer or other device before traveling to the class. Additional materials will be provided to you in class on a flash drive.

**Q: Which e-mail address will materials be sent to?**

**A:** The link will be sent to your e-mail address. Make sure that you provide us with your valid e-mail address (where you want the handout link to be sent).

**Q: Will I be able to print my materials at the seminar or workshop?**

**A:** Print or download the presentation slides before you arrive for the class. No printing services will be available.

**Q: What electronic format will the handouts be in?**

**A:** All materials will be available as PDF documents.

**Q: Will I be able to charge my device at the seminar or workshop?**

**A:** We recommend that your device is fully charged before you arrive. Charging stations may not be available in the classroom.

**Q: What happens if I do not receive an email?**

**A:** In the unlikely event that you do not receive the link via email, please call the Contact Number listed on the next page for assistance.

# Facilitator

Curtis Johnson has a B. S. in Environmental Health Science from Indiana State University. He came to the State of Michigan from Indiana after working for 2 ½ years for Indiana OSHA. He joined MIOSHA working for the compliance group from October 1987 to October 1997, before accepting the position at GM's Saginaw Steering Division. After working for three years as a Management Safety Representative he was offered the job as the Divisional Industrial Hygienist for Delphi Saginaw Steering Systems (currently known as Nexteer Auto Inc.). He served in this position for ten years helping to develop and update health and safety programs, training employees, conducting accident investigations, presenting at the Site Safety Review Board meetings, conducting audits at facilities around the world, served as the Radiation Safety Officer for the site, a member of the HAZ-MAT Evaluation Team, and was a member of the Delphi Industrial Hygiene Task Team.

Presenters: Curtis Johnson and Kristin Osterkamp, Senior Industrial Hygienists; MIOSHA-CET Division
