Areas of Emphasis:

- Founded in 1911, the American Society of Safety Engineers (ASSE) is the oldest global professional safety society. Its more than 37,000 occupational safety, health and environmental (SH&E) professional members are committed to protecting people, property and the environment.
- The three Michigan Chapters of ASSE (Greater Detroit, Lansing, West Michigan) are comprised of over 700 members working in a wide range of industries.
