- Graduated container (preferably clear plastic)
- Incontinence briefs
- Leg band to secure catheter or tape
- Toilet tissue
- Urinal
- Urinary drainage bag (drainage spout must be type that inserts into a pouch)
- Urine collection device
- Urine testing supplies
- Yellow food coloring or a substitute to color the water

### Measuring and Recording Supplies:
- Blood pressure cuff - multiple sizes
- Device for measuring height (stand-up scale)
- Digital thermometers
- Lubricant for rectal temperature
- Scale (non-digital, stand-up scale)
- Stethoscope (single and double earpiece)
- Watch or clock with second hand for vital signs

### Linens:
- Bath blankets
- Blanket/bed spread
- Covered pillows for positioning (minimum of 4)
- Gowns and bedclothes
- Lift Pad
- Pillowcases
- Sheets (flat and fitted)
- Towels
- Underpads (disposable, reusable)
- Washcloths
- Waterproof Sheets

### Clothing: (Normal and adaptive)
- Bra or camisole
- Button front shirt
- Non-skid foot wear
- Pants (sweat suit or elastic waist pants)
- Slip or half slip
- Socks
- Underpants
- Undershirt

### Mouth Care Supplies:
- Dental floss
- Denture cleaner or toothpaste
- Denture container
- Dentures (full set of real ones)
- Drinking cups
- Emesis basin for spitting
- Flashlight
- Full set of real dentures
- Lubricant (lip balm)
- Mouthwash and swabs for oral care
- Tongue blade
- Toothbrush
- Toothpaste
- Water pitcher

### Bath Supplies:
- “Occupied” sign
- Basin
- Bath mat
- Bath thermometer
- Bathtub and shower (in clinical setting)
- Deodorant
- Q-tips
- Robe
- Shower chair
- Soap dish
- Soap, regular and/or rinse-less type
Grooming Supplies:
- Aftershave
- Blow dryer
- Brushes
- Combs
- Curlers
- Electric shaver
- Hair accessories
- Large pitcher
- Mirror
- Nail clippers
- Nail file or emery boards
- Orangewood sticks
- Pail
- Razors
- Safety pins
- Shampoo
- Shaving cream/soap
- Skin care supplies (lotion, oil, etc.)
- Styptic pencil
- Water proof sheets or Rinsette

Nutrition Supplies:
- Cereal and milk, jell-o or pudding
- Clothing protector
- Cups
- Diet card
- Dish covers
- Dishes
- Food trays
- Napkins
- Sample menu’s
- Spoon, knife and fork (including common assistive devices)
- Standard measurements for fluid containers
- Straws
- Water pitcher

Ambulation/Transfer Supplies:
- Cane
- Crutches
- Mechanical lift
- Transfer belt or gait belt
- Trapeze
- Walker

Miscellaneous:
- “No Smoking” signs
- Disinfectant for cleaning supplies
- Facial tissues
- Mannequin (jointed and anatomically correct)
- Paper towels and dispenser
- Pencil and paper for candidate’s recording
- Tape measure

Infection Control:
- Disinfectant for cleaning supplies
- Disposable gloves (assorted sizes)
- Gauze
- Goggles
- Isolation gowns and masks
- Isolation tags
- Plastic apron
- Plastic bags
- Plastic isolation bags

Special Items:
- Anti embolism stockings (TED)
- Foot board
- Foot stool or ottoman
- Hand rolls
- Heel and elbow protectors
- Over-bed cradle (optional)
- Positioning devices
- Pressure relieving mattress
- Stretcher (optional)
- Synthetic lambs wool
- Small calculator
- Waist restraint, lap buddy, bed/chair alarms

Teaching Supplies:
- Anatomical Chart
- Charts forms
  - ADL flow sheets,
  - food acceptance records,
  - intake and output records,
  - graph and flow sheets for vital signs, blood pressure and weights
- Incident/accident forms
- Medical dictionary
- Turning schedule
- Weights and measures equivalence chart

ADDITIONAL SUGGESTED ITEMS not required:
- Diapers/incontinence panties
- Geri-chair
- Instrument containers
- Linen hamper
- Restraints
- Sphygmomanometer
- Tongue blades
