

Companies Providing Personnel Radiation Monitoring Services

<p>Atomic Energy Industrial Laboratory 9315 Kirby Drive Houston, TX 77054-2516 Telephone: (877) 866-2345 www.aeil.com</p>	<p>CHP Dosimetry 305 Cumberland View Road Clinton, TN 37716 Telephone: (888) 766-4833 www.chpdosimetry.com</p>
<p>Landauer, Inc. 2 Science Road Glenwood, IL 60425-1586 Telephone: (800) 323-8830 www.landauerinc.com</p>	<p>Mirion Technologies (MGPI) Inc. 5000 Highlands Parkway, Suite 150 Smyrna, GA 30082 Telephone: (770) 432-2744 https://www.mirion.com</p>
<p>MP Dosimetry 3 Hutton Centre Drive, Suite 100 Santa Ana, CA 92707 Telephone: (800) 633-1352 x 2710 www.mpdosimetry.com</p>	<p>PL Medical Company, LLC 117 West Dudley Town Road Bloomfield, CT 06002 Telephone: (800) 874-0120 www.plmedical.com</p>
<p>Radiation Detection Company 3527 Sneed Drive Georgetown, TX 78626 Telephone: (800) 250-3314 www.radetco.com</p>	<p>Troxler Electronic Laboratories, Inc. 3008 E. Cornwallis Road Research Triangle Park, NC 27709 Telephone: (877) 876-9537 www.troxlerlabs.com</p>

The companies listed on this sheet process personnel dosimeters in laboratories accredited by the National Institute of Standards and Technology through the National Voluntary Laboratory Accreditation Program (NVLAP)

This list is not intended as an endorsement of any of these companies. It is provided upon request to Michigan registrants. Other accredited companies may exist which do not appear on this list, and any information regarding them is invited.

See Michigan's *Ionizing Radiation Rules Governing the Use of Radiation Machines* for personnel monitoring and record keeping requirements.
