1. Animal mortality
2. Environmental impairment
3. Kidnap and ransom or extortion insurance
4. Liability for entertainment, recreational or sporting events or facilities written to include injury to participants
5. Personal injury and/or assault and battery when not written with bodily injury and property damage liability

Please note that certain categories of risks may be able to obtain coverages included on this list from authorized insurers in Michigan but the inclusion of a line of insurance indicates that some prospective insureds may have difficulty obtaining the coverage from authorized insurers.

Anyone may request that coverage(s) be added or removed from a current list. When requesting that coverage be added to the list, please include extensive data proving that the coverage is generally unavailable in the authorized market and identify the states that currently list that coverage as a surplus line. When requesting that coverage be removed from the list, please include extensive data proving that the coverage is generally available in the authorized market and identify the states that have removed the coverage from their surplus lines lists. Each request should be addressed to:
