On January 1, 2006, Michigan School Districts must comply with a series of 18 Public Acts (PA 121-139 of 2005) which amend the Revised School Code, Teachers' Tenure Act, Criminal Code, and Sex Offender Registration Act.

Thrun Law Firm, P.C., in conjunction with MIEM, is offering a half-day seminar to address both the legal and practical implications of these new laws.

Designed for superintendents, board members, human resource officers, central office administrators, and principals, this seminar will address the following topics:

- Criminal Conviction/Record Checks
- Record Disclosure

- Teacher Certification/State Board Approval
- Teachers' Tenure Act
- Termination Procedures
- Employment Contracts
- Collective Bargaining Agreements
- Student Safety Zones
- Student and Non-employee Sex Offenders

You don't want to miss this informative video conference. It's your opportunity to learn all the nuances of this new legislation to ensure your district is in compliance.
